

# THE ART *of* LEVERAGE

MARCH 15 - 17 IN TUCSON, AZ

Agile Growth for Women Who Want  
to Quantum Leap Their Income

with Amira Alvarez

Reduce your stress levels by 90%... **like my client Wendy did.**  
Increase your revenue by 8x... **like my client Michelle did.**  
Land contracts that are 7.5x bigger than your norm... **like my client Lauren did.**

## This is what gets to happen when you learn *The Art of Leverage*...

- FACT:** If you're stressed and overwhelmed with everything your business requires of you, you need to learn *The Art of Leverage*.
- FACT:** If you're resisting growing your business because you wonder if you can handle it and fear all the work it'll require of you, you need to learn *The Art of Leverage*.
- FACT:** If you're stalled out and plateauing at your current income level, you need to learn *The Art of Leverage*.
- FACT:** If you're frustrated by the speed with which things are happening in your business and want to accelerate your growth, you need to learn *The Art of Leverage*.
- FACT:** If you know what to do, but you aren't doing it, you need to learn *The Art of Leverage*.

***There's an easier way!***

Here's what you'll learn how to do at...

# The Art of Leverage Retreat

Agile Growth for Women Who Want  
to Quantum Leap Their Income

## **HOW TO BUILD A ROCKSTAR TEAM:**

- The top 3 roadblocks that hinder entrepreneurs from building a rock star team and how to avoid them completely.
- How to eliminate the one thing that's not only costing you thousands upon thousands of dollars but keeping you from your quantum leap.
- How to move beyond your fears of making a mistake, wasting money, not knowing what you're doing, growing too fast, etc.
- How to manage mistakes, drama, and roles and responsibilities with ease and grace so growing your team is delightful, not stressful.
- The mindset and strategy required to find the BEST people and partners for the roles you actually need filled right now.
- What team is required at your stage of business to LEVERAGE and take it to the next level and the sure-fire litmus test.
- Personal responsibility as the Business Owner and CEO—how to balance “the buck stops here” while empowering your team.
- When to hire. When to fire. Elegant ways to onboard and off-board team members.

## **HOW TO ACCELERATE YOUR GROWTH WITH BETTER SYSTEMS:**

- Why 99.9% of the time what ails you and your business is... “a systems issue” and what to do about it.

- How to develop the exact systems your business needs to grow and implement them without overwhelm.
- What kinds of systems are critical to growth and at what stage you need to implement them.
- What the BIGGEST mistake entrepreneurs make with regard to developing efficient, cost effective systems and how to avoid it.
- How to get out of the way and EMPOWER your team develop better systems.

## HOW TO OFFER A BETTER SERVICE AND MAKE MORE MONEY WITH BETTER PACKAGING:

- How to reconfigure what you're already doing to create massive leverage and income growth.
- How to identify and own your true expertise and why that is always where the biggest opportunity for financial growth is.
- The mindset you need to change that keeps most people playing small and not leveraging their genius.
- Why the opportunity to make more \$ with less effort is here now and how to take the blinders off and see it. (This is a big money maker.)
- How to give more to your clients and customers and create raving fans, without burning out from overwhelm.
- How identify and present offers that your client LOVE and buy like hot cakes.

Get out of overwhelm.  
Accelerate your growth.  
***Make more money.***
