Video One: Claiming Your Desire

It's not enough to watch the video and intellectually understand the concepts. You have to implement them, live them, be them. Each and every day. Dive in deeper using the following questions, then come back and comment below the video to let me know what you uncovered.

What is it you want to create in your business right now? GET SPECIFIC.

Exactly how much money do you want to be making?

What are the products or packages you want to be offering?

Who are the ideal clients you're working with?

How are you spending your time?

Who is supporting you?

How are things running and streamlined in your day-to-day operations?

What does your life look like? How are your relationships different or better?

Why do you want this?

What will having this allow you to do, be, or create?

Why is this important to YOU?

Taking your life and business vision into your mind's eye... who do you need to BE to bring this vision to life? What are your habits and behaviors? How do you show up? Think things through? Talk? How are you in relationships and while engaging with your team?

Now you have a list of the “ways of being” necessary for you to grow and scale!
