Next Steps

- Review your work. As you do so, what jumps out to you as the overarching theme? Make this your word or phrase for the year.*
- Calendar time to finish out any of this work that you need more time for.*
- Take this work and put into your Creation Playbook.*
- Use the upcoming Strategic Planning Intensive to work through the details of your business and financial plans.*
- Review your work and consider how you will integrate the masculine and the feminine. Where do you want to add in more of the masculine nature and where do you want to add in more of the feminine nature?*
